

Mapsted Quotes by Leadership Team

“Our innovative, highly accurate location technology allows our clients the greatest flexibility in choosing a location-based solution that best meets the needs of their businesses. We look forward to serving a growing list of clients in multiple industries, as we continue to scale our services globally.” -*Mapsted Founder & CEO Paramvir Nagpal*

“We aim to be a global force in the location-based services market. Using only commercially-available smartphones, we can provide our customers with location services that boast an accuracy level of 1-3 meters, making what once looked impossible to achieve, a reality.” -*Mapsted Founder & CEO Paramvir Nagpal*

A clear strategic direction and vision successfully has allowed Mapsted to focus on innovation and high-performance results. It has always been our goal to deliver world-class location-based solutions to our global clientele.” -*Mapsted Co-founder & COO Saeedeh Hamidifar*

“Thanks to our strong multidisciplinary teams, unique approach, and focus on innovation, we are revolutionizing the way the world uses location-based services. Our award-winning patented technology delivers a highly-accurate, cost-effective, and scalable product that can easily be deployed in tall buildings, or even underground. This makes it the ideal solution for a wide variety of business verticals.” -*Mapsted Co-founder & COO Saeedeh Hamidifar*
